Board Member of the Week: Betsy Singer

Husband Mike and I have lived in California for 45 years, but I'm a "Minnesnowtan" at heart. I graduated from the U of M - Minnesota - twice: as an undergraduate in Zoology and second with a Masters in Library Science. I worked as a Reference Librarian at the University of Washington Health Sciences Library briefly before we moved to Davis (UC Davis) with a new baby, Sara, and Mike's PhD in Soil Science. I went back to school (CSUS) and graduated with BSN (Nursing) in 1983. I spent my nursing career at Sutter-Davis Hospital. We have had the privilege of taking Sabbaticals from UC-Davis 3 times: once to Canberra Australia and twice to Rehovot, Israel. Mike did research all three times, and I was able to travel locally, and get to know the culture in Australia and Israel. Sara attended school in Canberra (1st and 2nd grades) and Rehovot (9th grade).

Mosaic Law has been our home away from home since 1996. Traffic on I-80 from Davis has become very congested and 1 ½ years ago we made the move to Sacramento. Our limiting factor was to be within walking distance to Mosaic Law and Keneset Israel Torah Center, where we are also members.

This is my second experience being on the MLC Board, the first time being 18 years ago. Being back on the Board has given me the opportunity to meet many new people and work on new projects, especially the renewed Illustrated Torah campaign, "Complete the Scroll." I also spend time volunteering in the Gift Shop, am a Torah reader, and a Melton student.

Spare time activities include spending time with grandsons, Noah (7), and Jonah (4), who live in Los Gatos and attend Yavneh Day School. I knit socks, enjoy reading, and travel. Our most recent trips have been to Israel and a Baltic cruise, including St. Petersburg. We are indeed blessed to be a part of the Mosaic Law community.
